

Boards Three and Four at the Green

Look at the bottom left image on Board Three. Next to the policemen are some tall boxes. What are they? You will probably have to get someone old to explain!

1.

Look at the top right image and the information about it on Board Three, then look around you to find the building which is on the right-hand side of the image. What is in the building now, and for questions two and three what two kinds of business were there in the past?

To your right are shops made of orange brick. They are the newest buildings at the Green. Look at Board Four to find out when they were built, and write down the dates.

1.

Look at the map on Boards Three and Four. (They are the same.) Write down the name of two buildings which are near the school.
